Your perfect venue

Surrounded by a panoramic view of our estate vineyards, the Niagara Escarpment and Lake Ontario, our charming Coach House and dedicated service team ensure that all events are managed with care, dedication and flair.

The Coach House, reconstructed on its original 1885 footprint, is a stand-alone facility on the winery property available for parties, small weddings, corporate meetings and events. This exceptional facility can accommodate up to 48 guests, seated, for lunch or dinner, or 50-65 for a stand-up reception.

For all occasions

We also book for graduations, showers, anniversary parties and birthdays. We plan your special event around your individual requests.

From customized event planning to personalized menus, the Coach House offers you an unparalleled experience in fine dining paired with Peninsula Ridge's estate-produced wines.

A complete winery experience

We invite visitors to enjoy a full winery experience with an insider's tour of our winery, vineyards and barrel cellar. Tours are led by our retail staff who are also experienced in viticulture, production and cellar work to encourage and engage in wine discussion and appreciation at any level.

You'll have the unique opportunity to ask questions of those people who are actually involved in the various winemaking processes. It's a great way to get up close to see what goes into growing quality grapes and making fine wine.
